**CALL TO SUBMISSION****JOURNAL COVER PAGE**

We invite all subscribers to the “Revista Argentina de Anatomía Clínica” (Argentine Journal of Clinical Anatomy) and the members of the “Asociación Argentina de Anatomía Clínica” (Argentine Association of Clinical Anatomy) to send images (photographs, drawings, cartoons, etc.) to be included in the cover page of the journal.

Images must be original, related to Clinical Anatomy, Medical Education in Anatomy, contents or activities of the “Revista Argentina de Anatomía Clínica” or activities of the “Asociación Argentina de Anatomía Clínica” (AAAC), have good enough quality for the purpose of editing, suit the available space, have not been published formally or informally (e.g. internet) in advance, have a title and author’s name.

The images will be sent through the website of the Journal. They will be selected by the Editor in Chief and the Editorial Board. Where considered appropriate, participation may be asked to the subscribers. Your images will lead next issues

*Prof. Dr. Susana N. Biasutto*  
*Editor in Chief*  
*Revista Argentina de Anatomía Clínica*

**NEW PUBLICATIONS*****Atlas photographique en couleur du système nerveux central***

V. Di Marino, Y. Etienne, M. Niddam

This Atlas includes 350 colour photographs of exceptional quality with increase neuro-anatomic definition of nervous central system structures by addition on slices, of ferric-chloride (colouring process discovered by the authors).

All in all, a book interesting not only medical students but also, neuro-radiologists, neuro-scientists and neurologists.

**XXV CONGRESO  
DE LA SOCIEDAD  
ANATÓMICA ESPAÑOLA**
